

2007 COMPETITIVE WAKEBOARDING SERIES KICKS OFF IN MARCH

For the first time, the Singapore Waterski & Wakeboard Federations will organise an age group competition (Riverside Age-Group Challenge on 24th & 25th March 2007) to gently kick off the 2007 season and determine the best riders across various age groups.

The 2nd event of the year will be the RipCurl Inter Varsity Polytechnic Wakeboarding Championships, scheduled at Kallang Riverside Park, on 23rd & 24th June with teams from the National University of Singapore (NUS), Nanyang Technological University (NTU), Singapore Management University (SMU), Singapore Institute of Management (SIM), Singapore Polytechnic, Ngee Ann Polytechnic, Temasek Polytechnic and Republic Polytechnic competing for national individual and team titles. More than 50 riders are expected to represent their respective varsities and polytechnics.

Reef Wakefest (incorporating the Singapore Wakeboarding Nationals) makes it's comeback for the 5th consecutive year during the weekend of 14th & 15th July. The region's best open riders will be invited to compete for a cash purse while riders from other divisions stand to win exciting prizes sponsored by REEF.

Stay tuned for more events to be added to the 2007 calendar.
